## TARDIS has now closed to recruitment

Please be aware that the Trials Team will be contacting you in the coming weeks in order to fill in any gaps in the data. These will include:

- data queries/data cleaning
- upload of missing radiology scans
- outstanding paperwork
- collection of frozen samples
- responses to adjudicator queries for SAE/outcome events

We would appreciate if you could process these requests as soon as possible.

The database will remain open for you to input data, upload scans etc. for some time.

Payments will follow receipt of all the outstanding data.

Closedown of recruiting sites will take place after receipt of all outstanding data/paperwork and is likely to occur during 2016 and 2017.

Thank you for all your hard work!

## What to Send Now

Please could you send the following data to us A.S.A.P.:

- Trial freezer sample logs (for those uncollected)
- Radiology images (upload or CD)
- Patient paperwork
- Receipts for patient travel (to be received no later than 31<sup>st</sup> August 2016)
- Screening logs

## Trial freezer sample logs

We will need the completed trial Blood Freezer Logs for samples that have not been sent in order to coordinate the sending of blood samples to the Trial Office.

## Clinical scans

We need all the brain imaging as detailed on the CRFs. Remember that any scan taken between randomisation and Day 90 needs to be submitted on the Additional Brain Imaging CRF as well as uploaded.

## Patient paperwork

- Valid consent
- Patient details
- Drug chart/s
- Baseline scan report (where applicable)
- Clinical scan reports (where applicable)
- Carotid doppler report (where applicable)

## Travel receipts

If you need to claim for travel expenses for participants (for Day 7 and 35 follow-ups), you must send receipts to us before 31<sup>st</sup> August 2016. These should also be anonymised with the participant trial ID in the format C000/0000/XXX as usual.

## Screening logs

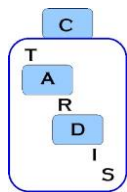

Please send all screening logs as soon as possible.

## Data Queries

Trial Coordinators will be contacting you with data queries throughout the next few weeks: please respond to these queries with some urgency.

## Monitoring and Closedown Visits

All sites who have recruited one or more patients will be monitored before September 2016. The Trial Coordinators will be contacting you to arrange monitoring visits. Once all sites have been monitored and data received, the coordinators will arrange closedown visits. Information on closedown will follow at a later date.
