Re: Safety and tolerability of clopidogrel when added to aspirin and dipyridamole in high risk patients with recent ischaemic stroke: a randomised controlled trial.

Short Title: Triple Antiplatelets for Reducing Dependency from Ischaemic Stroke (TARDIS)

MREC reference: 08/H1102/92

Dear Sir or Madam,

Please find enclosed an notification for substantial amendment for the above clinical trial. The following documents are enclosed:

1. Notification of Substantial amendment form
2. A list of the changes made (and reasons for each change)
3. Protocol, version 1.2
4. Patient Information Sheet and Consent Form, versions 1.4
5. Relative Information Sheet and Consent Form, versions 1.4
6. Independent Physician Information Sheet and Consent Form, versions 1.4
7. Patient Information Sheet (after consent from a legal representative) and Agreement Form, versions 1.4
8. DNA consent form

Please note that the changes are also highlighted on the information sheets, consent forms and protocol for ease of reference.

Yours sincerely,

Dr Tim England

Clinical Research Fellow to Professor Philip Bath
