Dear Professor Bath

BHF Project Grant no. PG/08/083/25779
"Safety and tolerability of adding clopidogrel to aspirin and dipyridamole in patients with acute ischaemic stroke or TIA: a randomised trial"

The above application was considered at the recent meeting of the Project Grants Committee. I am pleased to confirm we have awarded up to the sum of £233,283 for the work over 3 years and a breakdown of this sum is attached.

A travel fund of £1,000 per year is available for applicants and staff named on the grant to present at or attend scientific meetings relevant to the grant. Further details are attached.

The award is subject to your acceptance of BHF's Standard Conditions and the following special conditions:

1. The grant may **not** begin until **all** regulatory research governance approvals are in place, eg university, ethics, MHRA, licenses etc. A copy of the ethical approval, if needed for the work and not included in the application, must be submitted to me before the grant starts.
2. If the award includes salary for unnamed staff, please refer to 3.1.4 of the Standard Conditions.
3. You are required to submit a brief progress report annually on the anniversary of your grant and you should submit a final report, endorsed by the head of department, within three months of the end of the grant. A form is enclosed (available by email on request) for this purpose.
4. It is a condition of BHF funding that Grant Holders comply with BHF's Policy on Open Access and deposit within UK PubMed Central (see <http://www.ukpmc.ac.uk/funders>) an electronic copy of each paper funded wholly or in part by BHF that is accepted for publication in a peer reviewed journal within 6 months of publication. Further details are attached.
